

**Time Table - Semester II, 2024/2025**  
**Department of Science and Technology**  
**Food Engineering and Bioprocess Technology Specialization - 300 Level**

| Time          | Monday             | Tuesday             | Wednesday      | Thursday            | Friday                                 |
|---------------|--------------------|---------------------|----------------|---------------------|----------------------------------------|
| 8.00 - 9.00   |                    |                     | SCT 324-2 (F5) | SCT 325-2 (Bio Lab) | SCT 328-3 (Bio Lab/ Biotechnology Lab) |
| 9.00 - 10.00  | SCT 321-2 (SAC)    | SCT 323-1 (Bio Lab) |                |                     |                                        |
| 10.00 - 11.00 |                    |                     |                |                     |                                        |
| 11.00 - 12.00 |                    |                     | SCT 323-1 (D2) | Library             |                                        |
| 12.00 - 1.00  | Lunch Break        |                     |                |                     |                                        |
| 1.00 - 2.00   |                    | SCT 322-3 (SAC)     |                | SCT 303-2 (F4)      | Library                                |
| 2.00 - 3.00   | SCT 331-2 (SAC)    | SCT 328-3 (SAC)     | SCT 328-3 (D2) |                     | SCT 322-3 (Bio Lab)                    |
| 3.00 - 4.00   |                    | SCT 325-2 (D2)      |                |                     |                                        |
| 4.00 - 5.00   | Student Activities |                     | Library        | SCT 327-1 (SAC)     |                                        |
| 5.00 - 6.00   |                    |                     |                |                     |                                        |

| Course Code | Course Unit                                 | Lecturer/s in Charge                                                     |
|-------------|---------------------------------------------|--------------------------------------------------------------------------|
| SCT 321-2   | Data Handling and Statistics                | Prof. K.W.S.N. Kumari (AP)                                               |
| SCT 322-3   | Food Process Technology-I                   | Dr. C.M. Peries (SL)                                                     |
| SCT 323-1   | Food Storage and Packaging Technology       | Dr. C.M. Peries (SL)                                                     |
| SCT 324-2   | Fermentation Technology                     | Dr. I.D. Singhalage (SL)                                                 |
| SCT 325-2   | In vitro Culture Techniques                 | Prof. K.B. Wijesekara (P) (V)<br>(Faculty of Technological Studies, UWU) |
| SCT 326-2   | Metabolomics                                | Dr. I.D. Singhalage (SL)                                                 |
|             |                                             | Dr.Priyantha Samarasinghe (TL)                                           |
| SCT 327-1   | Mini Project                                | Dr. C.M.Peries (SL)                                                      |
| SCT 328-3   | Molecular Biology and Biotechnology         | Asso. Prof. A.P. Henagamage (AP)                                         |
| SCT 303-2   | Research Methodology and Scientific Writing | Prof. E.P.S.K.Ediriweera (P)                                             |
| SCT 331-2   | Functional Foods and Nutraceuticals         | Dr. M.M.S.N. Premethilake (SL)                                           |

Forwarded for the Information of the Faculty Board.

Asso. Prof. A.P. Henagamage  
Head / Department of Science and Technology

Date : 2025/04/11
